

## PRESS RELEASE

### ***New in the Mall of Berlin food court: COMEBUY Bubble Tea***

Berlin, June 20th 2025

After more than ten successful years, the Mall of Berlin is undergoing a comprehensive repositioning: fresh brands, a modernized floor plan, and contemporary store design will further strengthen the center. And with it, Berlin's large food court: with COMEBUY Bubble Tea.

### ***Freshly prepared, high-quality ingredients and a wide range of products***

Comebuy Bubble Tea was founded in Taiwan in 2002 and operates over 300 branches worldwide. In addition to a variety of boba/bubble tea dessert drinks, brewed tea, juices, and organic milk drinks, Asian snacks are also offered. Incidentally, the name "Comebuy" is the Chinese pronunciation of "cheers" and is intended to invite customers to try and toast with their drinks.

### ***Mall of Berlin undergoing profound change***

Targeted investments, the restructuring of existing space, and the integration of global brands are creating a contemporary shopping experience. The Mall of Berlin, which will soon be fully leased again, offers a unique shopping experience in Berlin with its wide variety of stores.

### ***Impetus for Berlin's retail sector***

COMEBUY's decision to set up shop in the Mall of Berlin underscores the attractiveness of the location and confirms the center's potential in Berlin's retail environment. The opening also marks the start of further developments: additional international brands are already in the starting blocks. The Mall of Berlin is thus sending a strong signal for innovation, further development, and the future of brick-and-mortar retail in the heart of the capital.
